OPEN HOUSE

We are having an Open House on Tuesday, January 30th from 8:00am to 5:00pm for prospective PreK-7th grade students for the 2018-2019 school year. Please pass on this information to anyone that would be interested in learning more information about SJS and taking a tour of our school. Please see the attached flyer for more information. The testimony of our parents is one of the most powerful tools in marketing our school. Many school families are here because they were referred to us by another parent. Growing enrollment ensures that the school has a prosperous future, which will allow us to bring new resources and enhance our curriculum. Increased enrollment benefits everyone: our students, our school, and our community.
